## **CCG Business Code for Suppliers**

The Climate Control Group, Inc. and its subsidiaries, ClimateMaster, Inc., International Environmental Corp., ClimaCool Corp., ClimateCraft, Inc., Thermaclime Technologies, Inc., and Koax Corp., (“CCG”) want to collaborate with suppliers that contribute to our sustainability profile. This will improve our joint business. Suppliers and contractors play a critical role for our brand building and our high quality standards. Therefore, we expect that our suppliers and subcontractors must demonstrate the same high ethical standards as ours. We also expect our suppliers and contractors to require their suppliers and contractors to follow similar ethical standards as described in this document.

## CCG Business Code for Suppliers

As a supplier to CCG, we require you to take immediate contact if you have questions about how to implement this Business Code. Suppliers can be asked to provide information as required by CCG regarding the standards in the Business Code. Based on this information, the supplier will be evaluated. CCG encourages the suppliers to evaluate their sub-suppliers and contractors.

For inquires relating to this Business Code, please contact our Supply Chain team.

We have approved and will follow the above.
